

AUDITION INFORMATION

Auditions will be held Friday 31 July and Sat 1st August at NPOS Complex. Audition times can be booked via our website.

We are looking for an adult cast (age 16+) made up of male and female vocalists who can also move, as well as specialist dancers.

Specialist dancers are required for a dance audition on Saturday 1st August 11.20am - 12.00pm.

Vocalists are required to attend a 20 minute movement audition in groups of 4, followed by an individual 15 minute vocal audition.

Vocalists will need to prepare two songs for your audition. Select one song from the list provided, and one song of your choice from an artist you consider to be a Legend. The two songs should be contrasting styles to showcase your abilities.

You do not have to memorise the whole song, but please be prepared to sing at least one verse and one chorus of your chosen song.

Rehearsals will be held on Sunday afternoons, and Wednesday and Thursday evenings.

The show runs between 27th November - 19th December 2026 at Plymouth International Hotel.
